

*Campbell County Recreation Center  
Gillette, Wyoming*

With more than 15 years of combined experience in both the architectural engineering and the luminaire manufacturing fields, Eric brings a unique perspective to the AEDG team. Early in his career, Eric spent time in the luminaire manufacturing and testing world. This experience provided him with an in-depth knowledge of the construction and performance characteristics of the type of product he now specifies. Eric brings a wealth of expertise derived from his management of a multitude of varying project types including: large scale recreation centers, schools, libraries, performance art theaters, museums, laboratories, senior living campuses and hospice care facilities.
